Consultation Details

CAPSTONE TITLE:
Lumispire: An AI-Enabled Service Management System for Hospitality, Training, and Manpower Services of the LTC Group of Companies.

Consultation 2 will focus on our progress in developing our capstone project LUMISPIRE. We conducted this consultation to find out what to improve and what to do next with the help of our adviser.

*Remarks/ Action Points (to be filled in by the **ADVISER**. Indicate whether the consultation has sufficiently solved the concern or needs a follow-up)*

> Kindly test your system to check for possible bugs.
> Please give me an update about functionality testing and eval form.

Conforme:
